

Healthy Kids

Community Health Partners administers the Collier County Healthy Kids Program, servicing school age children through this state-sponsored comprehensive health insurance program with income-based premiums.

To be eligible for the Collier County Healthy Kids Program children ages 5-19 must be enrolled full time in a Collier County school. They can not have private health insurance or Medicaid. To apply for coverage or get more information contact 1.888.540.4537 or online at <http://www.healthykids.org/>

To find a provider in the Collier County Healthy Kids network call 239.659.7760 or [click here](#).

All specialty services require referrals. Please use the attached form:

Healthy Kids Precert Form
